LANGUAGE TASK

TT

Work in pairs.

Imagine you have to give up most of the things in the pictures for a month.

Decide on one item neither of you could live without and why.

/10

Useful language:

- I couldn't possibly give up ...
- There is no way I could live without ...
- I could probably do without ...
- I might be able to give up ...

You should be talking about the specific items in the pictures, not just about the topic in general.

Tell the class about your conversation as a pair and about what you decide on.

You will be marked on content + language (= accuracy of words and structures).

**NOTE for the TEACHER: kan ook gebruikt worden als schrijfoefening.
Maar dan moet je je criteria aanpassen (bv. The text should be between 80 and 100 words)**
